

# Designing Your Life for Educators

**CALLING ALL EDUCATORS!** Imagine being able to teach your students how to human better (in school and life) with a fun, interactive and easily implementable coaching course, Inner.U.

Handel Group's Education Division is excited to offer this coaching course and learning opportunity for educators.

**We've got your back (and heart)...and your academic year!**

## Coaching will Include:

- Lifetime access to our online coaching course Inner.U STUDENT (a course that can be potentially used in your districts and classrooms!)
- An opportunity to learn more about Designing Your Life® For Kids, a K-12 SEL coaching curriculum.
- The tools you need to rock out your life and your students' lives. Get the future you want.

## What others have said after 6 weeks with us...

*"I received lasting lifetime learnings for myself and my students."*

*"I felt connected to other educators at a time when connection was extra important."*

*"This program will help you grow in ways you didn't know were possible."*

To learn more about customized programming for your educational community, or to enroll in our next series, contact [education@handelgroup.com](mailto:education@handelgroup.com)

Inner.U Student is our gift to you as an educator, in honor of your service.

We charge each participant a **\$99 workshop fee.**
